Prof. James C. Broth;
Respected Sir.

Two years ago next
month I was dismissed
from the Mint by Judge
Pollock, I think without
your knowledge; as I
know you have been
my friend in former
years, and feeling in
my heart I have
done nothing to destroy
your Confidence, as
I am an applicant for
my former place in the
Minting Department
and do most respect-
fully ask your aid
and influence in ena-
bling me to succeed in

accomplishing my object
I assure you dear Sir
if I do get back I will
as heretofore try to do
my duty faithfully
Very Respectfully
David Williams

Prof. Booth. Pardon me
for the liberty ^{I take} of saying I know
Mr David Williams well, was
his pastor for years, known
him intimately for 11 years
and I hesitate not to say
I know no man more honest
no man more governed by
principle; I believe him which
is the best of all to be a sincere
Christian. Dear Sir. If you can
aid him in getting back, God will
bless you in your deed. Very Respect-
A. M. ⁸⁶¹ _{St. Michael St}
